Information for you from us at the GCWCC

**Topics:** Canadian Tire Jumpstart; Canadian Mennonite University Job Board; 2024 Program Fee Subsidy Grant; GIVEAWAY – Foosball Table; GCWCC Annual General Meeting & Seminar

## Canadian Tire Jumpstart

We were notified by Jumpstart that the program for Winnipeg has changed.

*“As we continue to review and evolve Jumpstart programming in response to record demand for funding, we have decided to change the assistance offered in Winnipeg.*

*Moving forward, we know that we can create the most sustainable and transformative impact in local sport landscapes through Community Development Grants. Through these grants and associated programming, we can help address systemic issues in sport and support communities build a stronger foundation for long-term development.*

*With this shift, we have discontinued Individual Child Grants in Winnipeg as of January 2024. We understand this decision may be disappointing news, but we strongly believe this is the best course to ensure sustainable and meaningful support for kids.”*

Please be advised, you may wish to remove any Jumpstart Posters in your Community Centres, like the one shown here.

## Canadian Mennonite University Job Board

Planning for the spring and summer is well underway for many organizations and businesses. We are starting to see job opportunities advertised for this upcoming spring.

Canadian Mennonite University (CMU) is a small university in Winnipeg, and we have many capable and skilled students who will be looking for summer employment, or full-time employment after graduation.

As resource for our CMU students and alumni, we host a job board on the CMU website (which is also accessible to the public). We want to facilitate connecting the CMU community with partners doing good work, please do post any available jobs through your organization or business to the job board.
