Did you know that the GCWCC has a full [Community Centre Safety manual](#) available for community centres to use?

Safety is all our responsibility. Let's be careful up there!

Tables & Chairs Purchase Opportunity

We know of two centres that are looking to purchase some standard 8-foot tables and 18" tall stacking chairs. I have reached out to Accent Furniture for costs and shipping options. Thinking other centres may be interested in joining in this purchasing opportunity. (higher volume purchase = low per unit costs).

If your centre may be interest, please reach out to Arthur for more details. arthur@gcwcc.mb.ca
