GCWCC – New Community Centre Intranet – With SharePoint - Check your Inboxes

In searching for better ways to share information with you, we have developed a new intranet site, using Microsoft SharePoint, that will allow Community Centres to find, in one convenient spot, grant application forms, New This Week issues, the Accountability Manual and much more.

Throughout today, our partner **Clear Concepts**, will be sending out the information that allows you to access the new site. The email will be from Microsoft Invitations on behalf of GCWCC, this is not spam.

NEW: Volunteer Manitoba Recruitment Fair – Calling Community Centres to Participate

GCWCC has reserved a table at this event put on by Volunteer Manitoba.

We are excited to extend an invitation to all Community Centres to send down a representative and meet eager volunteers face to face! We have reserved the table in hopes enough Community Centre volunteers might **donate an hour or two of their time**. Let us know your availability and we can create a schedule. To see poster, simply scroll down.

The decline in volunteerism since the COVID-19 pandemic has had a significant impact on all Community Centres and the city. Together, CC representatives can act as a welcoming bridge to the volunteers in our communities on April 4th at the Viscount Gort Hotel.

RSVP if you'd like to participate by March 22. Let us know if you have any team members available to take a turn meeting and speaking with volunteers at our table. Email us with your availability at office@gcwcc.mb.ca

CCRGP March 15th Intake

March 15th is the deadline for Community Centre Renovation Grant Program's spring intake. Contact your Liaison to confirm you are 'current' with your Accountability requirements. Find the latest application and information [here](#).
