## **Canadian Sport Policy Survey**

The Canadian Sport Policy (CSP) is set to be renewed in February 2023. The renewed sport policy will help to identify Canadian sport priorities and provide guidance to Federal, Provincial and Territorial (FP-T) governments in advancing sport for the next ten years (2023-2033).

Canadians are invited to complete a survey. The [survey](#) will be open until the end of June, and all Manitobans are encouraged to share their insights and help contribute to the sport we want. The Canadian Sport Policy helps to guide key policy, program, and funding decisions. Your perspective is important and if you have an interest in policy development, your insights can help to set a renewed course for sport in Canada. This is the link to the survey [here](#)
