## **Program Fee Subsidy Grant Forms – Funding Available**

Access the updated form for the Program Fee Subsidy program. Remember the deadline to send in the forms is November 30<sup>th</sup>, but do not have to wait to submit. Send them either by mail, fax or drop them off at our office. Email is not a secure way to send confidential information. We are processing the applications as they are received.

Please do not turn families away from funding, if they need more than \$300 in funding, please include a letter with the application requesting additional funding. We are hearing of families not being able to afford due to the limitations of subsidy.
