New This Week

Information for you from us at the GCWCC

Topics: Green Team Applications 2023; Subsidy Privacy; Above & Beyond Banquet; South Winnipeg Recreation Campus Survey Now Open; Safety Tip of the Month (S2SA)

Green Team Applications 2023

The 2023 Urban/Hometown Green Team Program application intake is now open. Applications will be accepted until January 16, 2023.

Please see the news release at [Province of Manitoba | News Releases | Manitoba Government Marks Municipal Government Awareness Week.](#)

To apply and for further information/resources including Program Guidelines and Frequently Asked Questions, please visit their website at www.manitobago.ca

Above & Beyond Banquet SOLD OUT!

The Above & Beyond Banquet is sold out! We're thrilled to be honouring 24 Past Presidents from 2021 and 2022, as well as 18 Volunteers who have been nominated by their home Community Centres. This year's event is being held at Norberry-Glenlee Community Centre. If you are joining us at the event, be sure to bring your tickets to enter the door prize, as well a silent auction is set up with some great prizes from our community.

Thank you to our Gold Sponsor – Payworks, Silver Sponsor – Recycle Everywhere and to the City Councillors who have sponsored the evening.

South Winnipeg Recreation Campus Survey Now Open!

The City of Winnipeg is building a new regional recreation campus in Waverley West. The new South Winnipeg Recreation Campus will be built in multiple phases, with design work for Phase 1 starting this fall. Phase 1 includes gymnasiums, multipurpose rooms, an indoor track, fitness area, daycare, and an outdoor spray pad.

We are seeking the community's input on the recreational amenities and programs they would like to see at the new recreation campus. You are invited to provide your input through a short survey or one of two workshops. Your input will be used to tailor the design and ensure that community needs are met.

For more information about the project and workshops, and to complete the [survey](#), visit winnipeg.ca/southreccampus.

Safety Tip of the Month (from S2SA)

Supervisor Responsibilities

Supervisors fill an important role in every workplace. Employers rely on them to mentor, monitor and help motivate workers to uphold adopted safety standards. As a supervisor, it is your job to ensure that the workers you supervise understand the organization's health and safety expectations and live up to them.

- ✓ Lead by example by demonstrating a positive attitude toward health, safety, and good related habits. Make safety awareness part of the job.
- ✓ Show up on site wearing the personal protective equipment you want your workers to wear.
- ✓ Keep your eyes and ears out for potential hazards, and address these with the workers. Workers who move to another area or begin a new job must be made aware of any safety and health risks through new orientation.
- ✓ Assist in incident investigations. Supervisors are often most knowledgeable about processes in their department.
- ✓ Enforce safety rules/procedures/practices. Failure to enforce will result in unsafe working conditions and potential workplace incidents which may result in the supervisor being held legally responsible.
- ✓ Conduct 'Safety Talks' with staff regularly. This serves as refresher training and reminds workers of potential safety and health risks in the workplace.
- ✓ Coach new workers on the importance of safety. Creating an environment where they can approach you when they need clarification on a task or job can reduce the risk of a serious incident.
