

# New This Week

*Information for you from us at the GCWCC*

**Topics:** Spring Renovation Grant; Closed for Holidays; Province Announces New Financial Relief; Jump Start Survey; RMB's Awards' Program

## **Spring Renovation Grant**

The deadline for the Spring 2022 Renovation Grant (CCRGP) intake is March 15<sup>th</sup>, 2022. If you wish for assistance in form of a Scope of Work (that will help you ensure all quotes are referring to the same specifications) then contact Arthur Pearson as early as possible. Planning a site visit and putting together a Scope of Work can take some time. Then, you will have what you need to meet with your contractors. The earlier the better.

if you're planning to apply, email Arthur at [arthur@gcwcc.mb.ca](mailto:arthur@gcwcc.mb.ca)

## **GCWCC Office closed for holiday break**

Yes, our office will be closed from Monday, December 27 to January 3<sup>rd</sup>. We will return refreshed and ready to go on Tuesday, January 4<sup>th</sup>.

**Province Announces New Financial Relief** – available for businesses including recreation facilities.

Here is the link: <https://news.gov.mb.ca/news/index.html?item=53019&posted=2021-12-22>

## **Jump Start Survey**

Jumpstart is looking to gather information regarding the current ***State of Sport and Recreation Sector*** to help drive our future programming. Marco Di Buono of AVP Program and Operations, is inviting you to participate in a survey. Please take a few minutes to complete this as the survey closes this Friday, December 24<sup>th</sup>.

The survey can be accessed [here](#).

## **Recreation Manitoba's RMB Awards Program**

Recreation Manitoba is excited to announce that they have updated and simplified their awards program for 2022. We encourage you to take the time to nominate a person, place, space or group that you feel has had an impact on recreation and parks in Manitoba. Completed nomination form and supporting material must be received no later than **Friday, January 28, 2022**. You can download a copy of the nomination form at this [link](#)
