New Grant Opportunity – Shade Structure Grant Program

A unique opportunity; the Canadian Dermatology Association's Shade Structure Grant Program. The program provides funding to schools, daycares, city parks and not-for-profit organizations to purchase or construct permanent shade structures in order to create a safe outdoor environment that protects people from the sun's harmful ultra violet radiation.

Five grant recipients may receive up to \$7,500 each to go toward the cost of materials and installation. The CDA will also provide a permanent sign that provides sun-safe tips to be installed near or on the shade structure.

The grant may not cover your complete project, so you must make sure you will have the additional funding you need to install the structure by the deadline.

be installed by April 1, 2025, other wise recipient will forfeit the grant.

To apply for a shade structure grant, complete this online application for your organization. All submissions must be made online; paper submissions will not be reviewed. The deadline for submissions is Friday, June 28, 2024, 11:59 p.m.(ET).
