

## Linden Woods Community Centre

### Community Centre Ice Maker

The Linden Woods Community Centre is looking for an Ice Maker for the 2022-2023 winter season, approximately November 21, 2022, to March 15, 2023.

The duties of the Ice Maker include, but are not limited to:

- Installing the ice for two outdoor rinks
- Regular upkeep of ice throughout the season, including clearing snow from the rinks
- Clearing snow and ice from pathways leading to the rinks and service path from the parking lot
- Operate facility equipment, informing management of any needed repairs or supplies
- Other tasks assigned by the General Manager or Director of House and Grounds

This position reports to the General Manager. Remuneration is negotiable, based on skills and experience. Employee must be available to work any day of the week as needed for ice installation and maintenance, but no more than 8 hours per day or 40 hours per week. Staff must always maintain safe work protocols. Experience making and maintaining outdoor rink ice is essential, with the ability to adapt to different weather conditions. Staff should be self-motivated and able to work independently. Previous experience operating ice re-surfacing or similar equipment is an asset, but equipment specific training will be provided.

The successful candidate will be required to provide a Criminal Record check upon hiring. The cost will be reimbursed by the Centre.
